

PANORAMIC INDOOR IP CAMERA

CATALOGUE

Panoramic Indoor IP Camera

HD 2.0MP Network 360 ° Panoramic Indoor IP Camera

Features

HD 2.0MP

360° Panoramic Megapixel HD Fisheye Lens

30pcs IR LED, IR distance 25-30m

Support Standard ONVIF 2.0

Technical Parameters:

System	Dual-core 32-bit DSP (HI3516)
Sensor	HI3516C+322 CMOS sensor
Resolution	1920(H)×1080(V), 2.0MP
Lens	360° Panoramic Megapixel HD Fisheye Lens
IR LED	30pcs
IR distance	25-30m
Video processing	H.264 video coding, support dual coding,0.1M-6Mbps adjustable
Video bitrate	Main stream:1920×1080,1280×960,1024×768,1280×720; Sub-stream: 960×540,640×360,480×270,352×288,320×240
frame rate	≤2.0MP 25fps (Real time), Support1-25fps/s adjustable
Min. illumination	Color 0.1Lux@F1.2, B/W 0.01 Lux@F1.2
D/N function	Support IR-CUT
Network protocol	RJ45 Ethernet interface,10/100M self-adaption; Support RTSP/FTP/PPPOE/DHCP/DDNS/NTP/UPnP. network protocol
Access protocol	Standard ONVIF, support third party protocol access; support Android & iPhone IOS
Motion Detection	Support Motion Detection and IO alarm action
Remote monitoring	Support CMS, APP remote monitoring
Playback	Support Camera storage, playback and download
WEB configuration	Support WEB configuration, Support OSD, Support real-time record
Power supply	Support DC12V
work environment	operation temperature -10°C-+60°C, operation humidity 10%-90%
Dimension	Φ141*104
Weight	0.82kg
